

2019 CELEBRATION OF SUCCESS

Since 1991, the Chamber of Commerce of Northwest Connecticut, Inc. has recognized individuals and organizations who have demonstrated exceptional and unselfish service to the Northwest Corner with their Celebration of Success Distinguished Leadership Awards. The awards for Business Leader, Community Leader and Quality of Life will be presented on Thursday, June 27th at Chatterley's Banquet Facility. O&G Industries, Inc. proudly serves as the premier sponsor of the Celebration of Success Awards. Other sponsors include: Litchfield Bancorp; Northwest Community Bank; Barron Financial Group LLC; Borghesi Building & Engineering Co., Inc.; Charlotte Hungerford Hospital; Eastside Electric, Inc.; Northwest Hills Dealerships; and Torrington Savings Bank.

Based on his contributions to the business environment, the 2019 Business Leader award recipient is Steven Temkin, T&M Building Co., Inc. Steven is the Chief Executive Officer of T&M Building Co., Inc., a homebuilding company headquartered in Torrington, Connecticut, which was co-founded by his late father Abraham Temkin. He is also a member of Torrington Downtown Partners, LLC, an entity that owns, renovates and leases spaces in downtown Torrington. Temkin serves as the Treasurer and a Trustee of the Torrington Library, a Trustee at Torrington Savings Bank, a member of the Board of Directors of the Torrington Historical Society and the Legislative Chairman of the Home Builders Association of Northwest Connecticut.

The community involvement of James O'Leary has earned him the 2019 Community Leader award. After graduating from Wesleyan University, Jim served his country in the U.S. Army as a Commanding Officer. Jim has been a dedicated resident of Goshen for more than 50 years. He was Goshen's First Selectman from 1991-2003, a member of the Goshen Volunteer Fire Department and Goshen Fire Co. Ambulance for 45 years and has been the Town of Goshen Emergency Management Director since 2009.

Jim has given his time and talents to many boards and committees including: Goshen Board of Finance and Board of Selectman, Northwest CT Community Foundation, Connecticut Mutual Holding Company, Litchfield Bancorp, Goshen Historical Society, Connecticut Advisory Commission on Intergovernmental Relations, Northwest Hills Council of Governments, Connecticut Department of Public Safety, Division of Emergency Management and Homeland Security Advisory Council, and Charlotte Hungerford Hospital.

Prime Time House, Inc. has been selected as the 2019 recipient of the Quality of Life award due to the organization's commitment to the overall improvement in the quality of life of Northwest Connecticut. Prime Time House is a private, non-profit community mental health provider that empowers adults with mental illness to lead productive, independent lives. Members and staff work collaboratively to provide opportunities for friendship, employment, education, housing and transportation. Treated with understanding, respect and dignity, the emphasis is on an individual's abilities and strengths rather than their diagnosis or illness. For over 30 years, Prime Time has been dedicated to reducing mental health stigma and finding meaningful ways for members to better themselves both as individuals and as part of our community.

Small Business Council

Northwest Connecticut Chamber's Small Business Council will hold its next monthly meeting on Tuesday, July 2nd at 8 a.m. at the Chamber. The Small Business Council (SBC) has been established for the small business owner/manager - the decision makers - to discuss challenges, share solutions and work as a back-office consortium. Many small business owners have issues that they stumble upon throughout their workday that they may not have experience with - but another small business owner does. The SBC is a resource for owners and managers so they can keep their businesses running smoothly.

The July meeting will begin with a presentation by Alesia Kennerson, Revenue Examiner with the State of Connecticut Department of Revenue Services. Ms. Kennerson will provide an overview of the basics of sales & use tax (common taxable and exempt goods and services), proper certificates and record keeping and consequences of lack of record keeping. All Chamber members and guests are invited to attend the presentation. The SBC will hold its regular monthly meeting immediately following Ms. Kennerson's presentation.

Manufacturing Summit

The Chamber's Manufacturers' Coalition will host a Manufacturing Summit on Friday, June 14th at 8 AM at Green Woods Country Club, 300 Torrington Street, Winsted. The event is open to anyone and breakfast will be served.

Keynote speakers for the Summit will be State of Connecticut Commissioner of Labor Kurt Westby, Connecticut State Colleges & Universities President Mark Ojakian, and Franchesca Neris, an employee at BD and student at Northwestern CT Community College. The emcee of the Summit will be Lance Boynton, Chair of the Northwest Connecticut Chamber's Manufacturers' Coalition.

The event is sponsored by the Northwest Regional Workforce Investment Board. Admission is \$25/person. Attendees can RSVP at nwtchamberofcommerce.org or by calling 860-482-6586.

Young Professionals Organization

The Chamber's Young Professionals Organization has two events in June. One was held on June 6th at American Mural Project in Winsted. "An Evening with Ellen Griesedieck" was a private event for young professionals in the region with an interview of founder Ellen Griesedieck and time for question and answer. They also enjoyed hors d'oeuvres and a beer tasting.

The second event is United Way's Day of Caring on Friday, June 21st. Every year, the Chamber's Young Professionals form a team and volunteer their time for a full day at a local non-profit. Each year the group does something different and their projects have included painting, gardening, yard work, repairing fences, cleaning and more. To volunteer on the Young Professionals team, contact Lauren@nwctchamberofcommerce.org.

rain; however, it did not deter people from attending. There were over 150 attendees throughout the event which featured vendors, food trucks, yoga, Zumba, art therapy, live music and a Speak Out. Funds raised from the event will be donated to McCall Center for Behavioral Health: Veteran's Services. Thank you to the companies who generously sponsored the event and attended as exhibitors.

Leadership Northwest

On May 15th, the Leadership Northwest class had their class retreat, which was their last session of the year before they graduate on June 19th.

The retreat was held at Camp Jewell in Colebrook. The morning started with teambuilding exercises on a low ropes course. The group had to work together to get the entire class onto a wooden seesaw without either side touching the ground. After only 2 attempts, they achieved their goal using lots of communication and teamwork. Then they did an activity where they worked in partners to get across two wires in a V-shape. They had to rely on each other to stay up on the wires.

Just as the sun came out, they went canoeing in the lake and had to work together to move in straight lines where they wanted to go.

After lunch, they had a friendly, but competitive game of wiffleball and then learned archery. After archery, they did an individual activity where they climbed up a rope tunnel about 15 feet in the air. The class cheered each other on as they made their way up the ropes.

The Mental Health Awareness Fair, "Wellness in the Park", put together by three of the four Leadership groups, took place on May 13th at Coe Park in Torrington. The event was moved indoors due to the

The fourth Leadership team built Little Free Libraries for all the elementary schools in Torrington. The team collected and stamped hundreds of books that were placed into the libraries for people to "take a book, and leave a book", which is the purpose of the Little Free Libraries.

Thank you to companies who sponsored a library.

The class will graduate on June 19th with a dinner reception and a presentation of their group projects at the

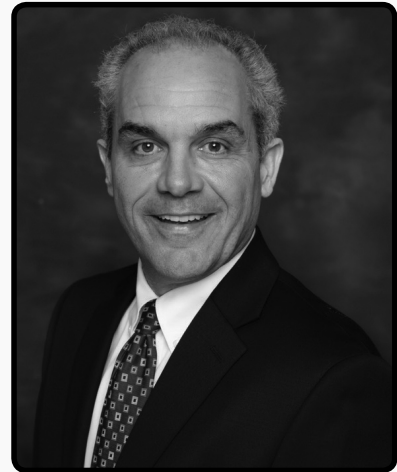

Torrington Lodge of Elks at 5:30 pm. Anyone is welcome to attend their graduation. The cost is \$40 per person. Class of 2019 graduates are complimentary. Call the Chamber to make a reservation- 860-482-6586.

Thank you Northwest Regional Workforce Investment Board for sponsoring this year's Leadership program.

2019 CELEBRATION OF SUCCESS

Continued from Page 1.

When you walk into Prime Time, you will find a supportive environment where people living with the devastating effects of mental illness can discover for themselves that they are able to work and be involved in their community like any other citizen. Many of the program members say that before they came to Prime Time House, they sat at home and became increasingly isolated and depressed. Prime Time House provides a place of hope, choice and opportunity for residents of Litchfield County who are struggling with mental wellness.

"The 2019 honorees represent what is truly special about Northwest Connecticut," said JoAnn Ryan, Chamber President & CEO. "Steven, Jim and Prime Time House set an example for us all to follow and are most worthy of the distinguished leadership awards. Their contributions are extensive and have benefited the entire region. I look forward to celebrating their success on June 27th."

For more information on the Celebration of Success Awards, or for tickets to the event, please contact the Chamber at 860-482-6586.
